Academic Libraries Overview

Welcome to the IPEDS Academic Libraries (AL) survey component. The purpose of the AL component of IPEDS is to collect information on library collections, library expenses, and library services for libraries in degree-granting postsecondary institutions.

Recent changes

There are a few changes to the 2015-16 Academic Libraries component from the 2014-15 collection. Visit the [Academic Libraries Resource](#) page for a list of the changes and additional reporting resources.

Data Reporting Reminders

Report all data for fiscal year (FY) 2015. Fiscal year 2015 is defined as the most recent 12-month period that ends before October 1, 2015, that corresponds to the institution's fiscal year.

Coverage:

Include data for the main or central academic library and all branch and independent libraries that were open all or part of the fiscal year 2015. Branch and independent libraries are defined as auxiliary library service outlets with quarters separate from the central library that houses the basic collection. The central library administers the branches. Libraries on branch campuses that have separate IPEDS unit identification numbers are reported as separate libraries.

Parent child allocation factors

The **Academic Libraries survey** report submitted under this UnitID is a combined report that includes data for all the locations listed below. Because this is a combined report, you must provide allocation factors that indicate how the data should be distributed among all included institutions. Allocation factors are percentages. The allocation factors you provide will be used to allocate reported data to each component location and create derived variables for the **IPEDS Data Feedback Reports**.

Enter allocation factors in the spaces provided; use whole numbers only. Percentages must add to 100%. You may not leave any cell blank. You will not be able to lock your data if this section is not completed.

UnitID	Name of Institution	City, State	Allocation factor	2014-15 Allocation factor

436827	University of Connecticut-Avery Point	Groton, CT	1%	2
436836	University of Connecticut-Stamford	Stamford, CT	1%	1
		Total:	100%	

If this list of institutions is not complete, or is incorrect in any way, or if you would like to report data for each component institution instead of submitting a combined report, or if you have any questions or concerns, please call the Help Desk at **1-877-225-2568**.
